In Memoriam

The students of Appalachian High School are greatly indebted to Mr. Palmer Blair for the services he has rendered to the LAUREL in the past and especially this year. His generous contribution of time, effort, and expert photography has been immeasurable.

The Laurel

1957

VOLUME II

There were times we thought we wouldn't,
But we finally got it done.
It took a lot of effort;
But we had a lot of fun.

Here it is... We hope you like it!

The Annual Staff of Appalachian High School
Boone, North Carolina

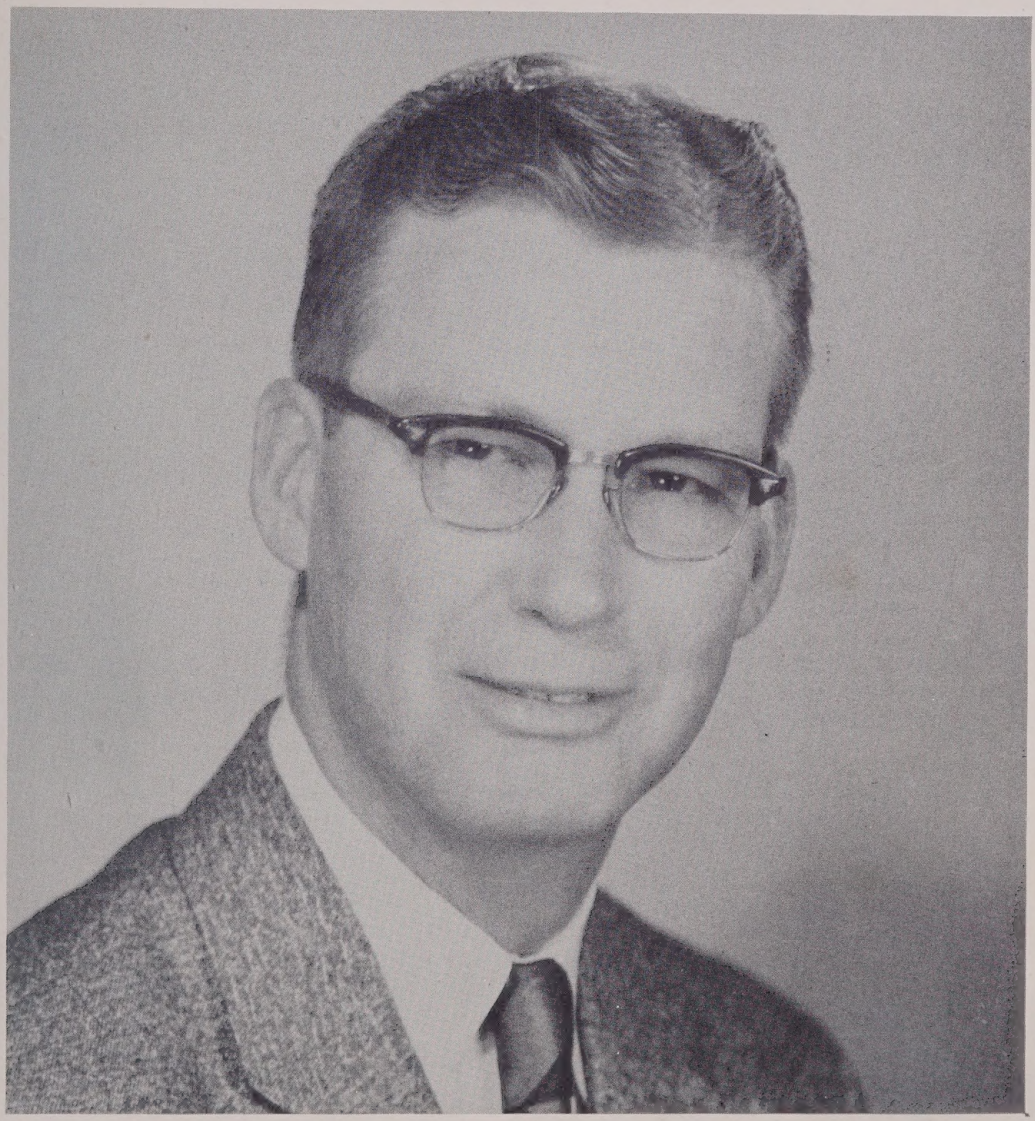

presents . . .

Foreword

"Winter is a wonderland...So lovely to behold...When the trees have shed their leaves...That turn from green to gold...Now so bare they still are fair...To the nature loving eye...As they stand silhouetted...Against the evening sky...No sight more beautiful...As seasons come and go...Than moonlight falling across...The winter evening snow...Though oft we sing of the spring...The summer and the fall ...Winter is a wonderland...That challenges them all."

Since many of our high school days are spent during the snowy days of winter, we want to give you a view of Appalachian High School during this beautiful winter wonderland. Many of the highlights of high school have been captured in these pages, and many memories will be cherished forever.

In May, the seniors will end their high school careers. To some this will be merely a pause in their formal education; to others, the end. The years of learning in high school will end, but the progress of moulding our character will never stop. There have been several important factors in our development thus far: our parents, our teachers, our church, our friends, and...our school...Appalachian High School.

Because of his genuine interest in building Appalachian High School, and because he has such a profound influence on the lives of the people he comes in contact with by living by the Golden Rule, we, the senior class of 1957, dedicate Volume II of the Laurel to Coach Leroy Rogers.

Thanks, Coach, for guiding our boys the many years you did in basketball. You certainly ended your coaching career a winner.

We shall always remember you best for your "Sportsman's Prayer."

Dear Lord, in the battle that goes on through life,
I ask but a field that is fair,
A chance that is equal with all in the strife,
A courage to strive and to dare.
And if I should win let it be by the code,
With my faith and my honor held high.
And if I should lose let me stand by the road,
And cheer as the winners go by.

EDITORS' MESSAGE

The editors would especially like to thank Mr. Coffey and Mrs. Nash, our sponsors, who devoted much of their time so unselfishly to make the annual a success. A special thanks should also be given to Mrs. Joe Hardin, Mrs. and Mrs. Frank Payne, and Mr. and Mrs. A. E. Hamby who helped with the photography of the annual. Appreciation is also given for the generous support of our advertisers and for the expert services of Hunter Publishing Company, Palmer's Photo Shop and Weston's Studio.

"God clothed the world in crystal white
The hours I lay asleep last night.
It had been barren, stark and bleak,
But, now its beauty none can speak.

This morning bushes dark and bare
Had puffs of cotton in their hair,
And windswept lawns so dully green
Wore blankets of white, diamond sheen.

So bright the world wore loveliness
It mutely spoke of holiness;
Unwilling feet my pathway trod,
Lest they should mar the robe of God."

Class History

As typical freshmen, we considered ourselves quite grown-up. We were very proud of our large enrollment of 125. We spent most of our time getting acquainted with the rules and regulations. Our boys learned the hard way at "Tate's Casino." We raised our first bit of money toward our Junior-Senior dance selling Christmas cards. We had a spooky "House of Horrors" at the Halloween Carnival and by far the best float in the homecoming parade. We selected David McKinney as president of our outstanding class, Joe Miller, vice-president; Rebecca Edmisten, secretary-treasurer; and Betty Swaim, reporter.

We entered our sophomore year with the feeling we were at last nearing the upperclassman bracket. The following served as officers: David McKinney, president; Joe Miller, vice-president; Rebecca Edmisten, secretary-treasurer; and Donna Welborn, reporter. We sponsored one of the nicest dances of the year, the Valentine dance. Betty Swaim was crowned queen. Twirp Season came around and we sponsored an informal dance. The football team, consisting of quite a few sophomores, had an undefeated season.

Our junior year the school was more or less turned over to us. We sponsored the Halloween Carnival and made profits galore. Projects were headed by Betty Swaim, president; JoAnne Hardin, vice-president; Bobby Reynolds, secretary; Paul Perry, treasurer; and Bill Gragg, reporter. The highlight of the year, a lavish extravaganza, was "Springtime," our Junior-Senior dance. Music was furnished by the Rhythm and Swing Band. Patsy Hollingsworth, Nancy Hollingsworth, Bobby Reynolds, Joe Miller, Bill Gragg, and Peggy Greer were selected by the senior class as junior marshals. Thirteen students were inducted into the National Honor Society. They were Jack Creed, Mary Hodges, Jane Snyder, Hazel Townsend, Bobby Reynolds, Everett Lowman, Sue Fletcher, Nancy Hollingsworth, Bill Gragg, Paul Perry, Bill Williams,

JoAnne Hardin and Betty Swaim. The annual student-body president election was held in the spring and Bobby Reynolds, Wendell Critcher, Bobby Wilcox, Bill Gragg and Betty Swaim were the nominees. Betty Swaim was elected by popular vote of the student body. Bobby Watkins and Nancy Hollingsworth were placed on the All-Tournament basketball team.

Our senior year the following were selected as officers: Bobby Reynolds, president; Johnny Hodges, vice-president; Jane Snyder, secretary; JoAnne Hardin, treasurer; and Joyce Miller, reporter. Joe Miller and Bobby Reynolds were selected as wrestling captains. Bill Gragg and Sue Fletcher served as co-editors of the Highlife. Johnny Hodges was our homecoming king. Joyce Littleton was the Halloween queen, and Joe Miller was elected Christmas king. Bobby Wilcox and John Hodges were our football captains, and Bobby Watkins and Bobby Wilcox were our basketball captains. Mary Mast and Bonnie Foster were co-captains for the girls' basketball team. JoAnne Hardin and Betty Swaim were co-editors of the Laurel. Sheila Gilley and Nancy Hollingsworth placed second in county-wide essay and speech contests. A beautiful Christmas dance was held in the gym and the seniors had lots of fun sponsoring it. All the seniors would like to thank the junior class for giving us a beautiful Junior-Senior dance. It certainly seemed that fun was had by all. One highlight of the year was our trip to Washington. The memories of the trip will probably last in our minds longer than any other event in our high school careers. The most important step was taken in the latter part of May, graduation. We, the senior class owe much to the teachers of A. H. S. We feel especially close to our homeroom teachers, who, through the years, have helped us in many ways. Although many of them are gone now, we still want to say thanks for all they have done. Our homeroom teachers have been Mrs. Hardy, Miss Huneycutt, Mr. Templeton, Miss Prothman, Mr. Gabriel, Mr. Isenhour, Mr. Hadden, Miss Akers, Mrs. Nash, Mr. Snyder, and Mr. Jolley.

"Snow fell softly through the night,
Covering with unsullied white
Church spire, roof tops, fences, trees,
Making no sound save when the breeze
Whispered against the windowpanes,
Or tip-toed through small country lanes,
The world seemed hushed, as if God's hand
Has laid itself upon the land."

The new Ford Fairlane 50(

A new kind of Ford

with that Sculptured Look and Thunderbird "Go"

The new Ford Custom 30(

From a proved-in-action "Inner Ford" stems a whole car that's built to stay young for years

The moment you see this new kind of Ford, you'll know you're seeing something that's completely new—completely different.

Ford's road-hugging '57 models are as much as four inches lower—up to nine inches longer. And there's a choice of *two* big-car sizes: the big Custom and Custom 300's—over 16 feet long, and the even bigger Fairlane and Fairlane 500's—over 17 feet long.

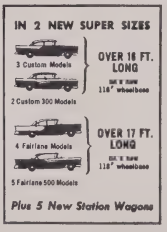

The longer, lower lines that give you that "sculptured look," the power of its Thunderbird V-8 . . . these are just the beginnings of the story of the '57 Ford. Underneath there's a built-to-last "Inner Ford" with features that are a challenge to even the *high*-priced cars.

You ride on a new wide-base frame which flares out a foot wider. You'll find you sit lower down, with even more room and comfort. And entering is easier than ever with the new wide-swinging doors.

And as for handling! You'll find light-as-air steering, and cornering comfort like you've never had before. The '57 Ford "flattens out" the roughest roads—as well as the steepest hills . . . makes driving more fun for you!

There are new Silver Anniversary V-8 engines with a wide range of horsepower to suit every need.* Or you may choose the great, new Mileage Maker Six.

Come in and Action Test the new kind of Ford now.

*A special 270-hp Thunderbird 312 Super V-8 engine available at extra cost. Also, extra-high-performance Thunderbird 312 Super V-8 engine delivering up to 285 hp.
